

HOPE BRIDGE

Hope Bridge exists to engage the entirety of the continuum of the OH foster care system by providing on-ramps for churches, communities, and organizations to the direct services we and other organizations within The Bridge Network provide.

PROGRAMS & INITIATIVES

Our mission as an organization is to stand along this continuum with a variety of direct service programs that work intentionally in the spaces of

"Foster Care is a Church issue, not a state child welfare issue. More so, it's a Gospel issue. The Church has both the duty and the privilege to speak on behalf of and stand for the sake of those who cannot speak and stand for themselves because that is exactly what God has done for us through Jesus. That's The Gospel."
