

HOPE BRIDGE

The Bridge Network

The Bridge Network is a collection of organizations and businesses all working together toward the common goal of bringing support, resources, and encouragement to vulnerable children and families. We believe that if we link arms and work together in providing resources and meeting needs, we will make a far greater and further reaching impact to our communities.

For as in one body we have many members, and the members do not all have the same function, so we, though many, are one body in Christ, and individually members one of another. (Romans 12:4-5)

Hope Bridge is a faith-based organization. Our programs, initiatives, and work is fueled by our faith in Jesus Christ and the example of proximity he's given us for moving toward the broken and serving with generosity, love, and compassion. While some businesses and organizations that engage with us may not share our faith, we believe we all agree on the same core values of dignity, respect, valued relationships, and integrity.
