

Church Involvement

At Hope Bridge, we advocate for change in the Ohio foster care system by mobilizing churches into action and equipping communities to serve.

Not everyone is called to be a foster parent, but we are **ALL called to do something**. Below are some tangible ways that your church can step deeper into impacting the foster care system by caring for vulnerable families alongside the work of Hope Bridge.

Our Programs provide many opportunities to get involved:

How will your church engage with us to support local families in crisis?

Single Moms program

- Mentorship
- Care Communities/Wrap around support
- Host a support group
- Provide a meal
- Skilled Volunteer - i.e. mechanic, electrician, etc.
- Babysitting/Child care services

Foster Care + Adoption program

- Care Communities/Wrap around support
- Host a support group
- Provide a meal at time of placement
- Meeting tangible needs
- Provide respite care/Host respite night
- Raise awareness/Recruit

Aged Out Youth program

- Mentorship
- Care Communities/Wrap around support
- Become an Employment Partner
- Become a Housing/Landlord Partner

+ many more opportunities to get involved in each program!
